

St Paul's School Golden Rules

Why Do I think schools need to have rules?

What do I think would happen
in a school with no rules?

1. Listen to Others.

Why is this important?

How do people feel when they are not listened to?

2. Follow instructions.

Why is this important?

What happens when we don't follow instructions?

3. Be polite and well mannered towards others.

Why are good manners important?

Who should use good manners?

Is using good manners important only inside school? Where else should you use good manners?

What do you think of people who speak to you without manners?

4. Respect the school grounds.

Why is this rule important?

What would you think of your house if it was a mess and everything was broken? How would you feel?
